

# REFERRAL INCENTIVE

## EARN UP TO £/€100 AMAZON GIFT CARD

If you know of a customer who might need our services, we are offering £/€50 for an introduction call and a further £/€50 should the customer contract with us. So, potentially £100 or €100 per referral.

There are two scenarios that we are looking for:

- **A customer planning to run an RFI or RFP process where we can help to speed that up and reduce the procurement timescales.**

**OR**

- **A customer that is not a fit for your solution and who would benefit from our help to bring the right technology vendors to help them meet their needs.**
